OUR SERVICES

E-learning development

Cutting-edge technology, modern instructional design and creative content creation — from complex multi-module courses to half-minute animated videos.

Educational portals

From shaping the vision to delivery, we help our clients build portals that reach their goals and stand out.

LMS

Content delivery, reportable assessments, forums, questionnaires, video conferencing — a lively online learning environment, cost-effectively.

THE SKILLGO PRODUCT FAMILY

Skillgo — our in-house adaptive, HTML5-based authoring tool, built on differentiation and test-based learning.

Skillgo Academy — online courses with hands-on knowledge and certificates.

Skillgo.me — an agentic AI learning ecosystem: SCORM/xAPI-compatible courses generated automatically from your corporate knowledge base.

CERTIFICATION

 dun & bradstreet
AAA

The Dun & Bradstreet **AAA certificate** — the highest creditworthiness rating — certifies that the financial risk of doing business with us is exceptionally low.

WHO WE HAVE WORKED WITH
